

Commercial Code: 9th Edition Energy Code: Top10 things you need to know

This program is offered in collaboration with the University of Massachusetts Facilities & Campus Services

**9th Edition Energy Code:
Top10 things you need to know**
Thursday, April 25, 2019
8:30 – noon
3 HSW

PROGRAM

The 9th Edition of the Massachusetts State Building Code (780 CMR) became mandatory on January 1, 2018, following a concurrency period from October 20 to December 31, 2017. This course, intended for code enforcement officials, contractors, and design professionals, will address 9th Edition updates, changes between the 2012 and 2015 IECC, and the “Top 10” commercial energy code compliance issues. The biggest 9th Edition changes include COMcheck documentation for all projects and solar-ready provisions. Additional topics include air barrier construction, mechanical and lighting system commissioning, and “additional efficiency packages”.

Presenter: Arthur Pakatar, LEED Green Associate, CEA is the President of The Pakatar Group, LLC, a firm dedicated to the built environment. Mr. Pakatar holds certifications from International Code Council, the Association of Energy Engineers, the Building Performance Institute, the U.S. Green Building Council and Resnet. Over the past 15 years Mr. Pakatar has

prepared and delivered training to code enforcement officers, design professionals and other construction industry stakeholders throughout the Northeast and Mid-Atlantic regions.

LOCATION

University of Massachusetts/Amherst
Campus Center Room 163C

Directions & Parking

http://www.umass.edu/visitorsctr/Directions_to_Campus/ Parking: parking is available at the Campus Center garage (for a fee).
